

CRAWFORD SCHOLARSHIP PROGRAM

"Providing Scholarship Money for All Crawford High School Graduates"
2009-2010

THE CRAWFORD SCHOLARSHIP PROGRAM:

The Crawford Scholarship Program began in 1994 in an effort to assist our graduating seniors with the ever-increasing costs of an education. This year the valedictorian and salutatorian will receive \$1,000 each and the remaining honor graduates will receive \$600.00 upon enrollment in college, vocational school, military, or any other approved post-secondary training. All other graduating seniors who enroll in college, a vocational school, military, or post-secondary training will receive \$150.00 following graduation from high school.

THE "WALL OF HONOR":

The "Wall of Honor" is located in the entry lobby of the high school and is named after Raymond DeFore, a 1980 graduate of Crawford High School, who has made significant and on-going contributions to the Scholarship Program over the past years. The wall displays plaques which list the names of donors who make a one-time donation of \$250.00. Donors who make contributions of \$1,000.00 or more have their name listed on the "year" plaque and also have the option of having an individual plaque. The individual plaques can be made in the honor of the donor, a loved one, or in recognition of a class.
